

Athena Theatre Fundraiser

DATE:

**THURSDAY,
1/8/04**

TIME: 6:00 PM

The purpose of the fundraiser is to bring together artists of all mediums. The evening will include musicians, actors, painters, photographers, filmmakers, directors, producers and anyone who loves the arts. Athena Theatre is hosting the evening to raise money for their next production, *Beirut*. Each artist involved will also be promoted. Our goal is to represent the broad range of talent in the Los Angeles area and have fun doing it. It is very important to us to gain a mutual support from our community. So join us for an evening of the arts!
